<i>Total, All Cities:</i>		737	15,556	
				<i>Average, All Cities:</i>
				2.6
				<i>Median, All Cities:</i>
				0.5

The temperature levels were determined by combining the Arbor Day Foundation's Hardiness Zones with the American Horticultural Society's Plant Heat-Zones. The cities totals were then separated into five temperature categories.

If a city has more than one park agency, community garden sites and plots are combined.

Italic indicates estimate based on prior year information.

		Median, All Cities:	0.0

The temperature levels were determined by combining the Arbor Day Foundation's Hardiness Zones with the American Horticultural Society's Plant Heat-Zones. The cities totals were then separated into five temperature categories.

If a city has more than one agency, ice skating rinks are combined.

Italic indicates estimate based on prior year information.
