THE EDGEWATER STORY

ISTWA EDGEWATER

The Edgewater community is a beautiful area in the City of Boston. It is primarily located in the Mattapan neighborhood, with parts extending to the Hyde Park neighborhood.

The term “Edgewater” comes from the community’s close proximity to the Neponset River. Before English settlement (and the takeover of native land), the Neponset River was the historic homeland of the Neponset Tribe – one of the many tribes that made up the larger Massachusetts Tribe. Today, the Edgewater neighborhood is culturally diverse with families from the southern United States, Haiti, Trinidad, Barbados, Puerto Rico, Dominican Republic, and many other Caribbean nations.

In 2016 residents from eight streets (River Street, Edgewater Drive, Tesla Street, Topalian Street, Malta Street, Burma Street, Mattakeset Street, Monponset Street, and Holmfield Avenue) came together to create the **Edgewater Neighborhood Association**. The Edgewater neighbors quickly identified block captains for each street and began monthly meetings to strengthen people’s connections and encourage greater utilization of community resources like the Kennedy Community Garden, Kennedy Children’s Garden, and Kennedy Playground. The organization also addresses concerns like increasing safety and cleanliness of the riverbank, supporting local young adults, and much more.

Edgewater remains an environmentally rich and vibrant area with great enthusiasm for health-focussed projects like the creation of a local food forest and safe river walking path.

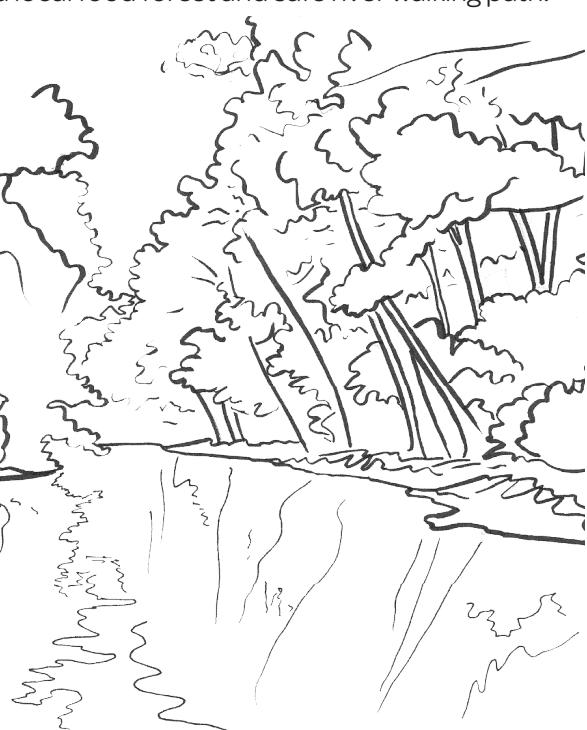

Kominote Edgewater a se yon bèl zòn nan Vil Boston. Li prensipalman sitiye nan katye Mattapan, avèk kèk pati ki pwolonje jiska nan katye Hyde Park la.

Tèm “Edgewater” soti nan pwoksimite pwòch kominote a rive nan Rivyè Neponset. Anvan kolonizasyon Anglè yo (ak priz kontwòl tè natif la), Rivyè Neponset se te tè natal istorik Tribi Neponset la - youn nan anpil tribi ki te konpoze pi gran Tribi Massachusetts yo la. Jodia, Katye Edgewater a genyen divès kilti avèk fanmi ki soti tout kote nan sidès Etazini, Ayiti, Trinidad, Babad, Pòtoriko, Repiblik Dominikèn, ak anpil lòt nasyon nan Karayib la.

Nan lane 2016, rezidan nan ywit ri sa yo (River Street, Edgewater Drive, Tesla Street, Topalian Street, Malta Street, Burma Street, Mattakeset Street, Monponset Street, ak Holmfield Avenue) te rasanble pou yo te kreye **Asosiyasyon Katye Edgewater** a. Katye Edgewater a te byen vit idantife kaptèn blòk pou chak ri epi yo te kòmanse rankont chak mwa pou ranfòse koneksyon moun yo epi pou ankorajé pi gran itilizasyon resous kominotè yo tankou Kennedy Community Garden, Kennedy Children’s Garden, ak Terendje Kennedy a. Òganizasyon an te abòde tou enkyetid konsènan ogmantasyon sekirite ak netwayaj riverbank lan, te jèn adilt lokal yo ak plis toujou.

Edgewater rete yon zòn ki genyen yon anviwònman ki rich epi ki vibran ki genyen gran antouzyas pou anpil pwojè ki konsantre sante tankou kreyasyon yon forè alimantè lokal ak yon wout ki sekirize bò rivyè a.

COMMUNITY HERO

My name is
Non mwen se
Cornelius.

Let's talk, learn, and grow together!
Annou pale, aprann, epi grandi ansanm!

Hello,

I am a life-long resident of Mattapan. I was raised on Edgewater Drive. I've seen a lot of tragedy, some of which no young person should have to deal with. Through the years I've learned about community and what it means.

My Mattapan Edgewater Drive community has shown me support, encouragement, and Love – even taught me about community engagement and how important it is. My community has offered me peace when life seemed chaotic. Even when I hadn't learned how to be the best me, my community never judged and along with my family they were instrumental in helping me navigate through my journey of life. Whatever I needed they were there: my first job, my first bike, my first leadership opportunity.

Mattapan has a wealth of opportunities for its youth. My advice to teenagers is to take advantage of what's around you. Our community and its leaders are here to help us. There is so much more to learn. Just walk outside your door, take 5 giant steps in any direction. Now tell me... what do you see?

Bonjou,

Mwen se yon rezidan k ap viv nan Mattapan pandan tout lavi m. Mwen te leve /grandi nan Edgewater Drive. Mwen te pase epi viv anpil trajedi, genyen kèk nan yo ke okenn jèn pa ta dwe viv. Atravè lane sa yo mwen te aprann anpil konsènan kominate a ak sa li reprezante.

Kominote Mattapan Edgewater Drive mwen an te ban m sipò, ankourajman, ak Lanmou – li te menm anseye m sou angajman kominotè ak kijan li enpòtan. Kominote mwen an te ofri m lapè lè lavi a te parèt kawotik. Menm lè mwen pa te aprann fason pou m kapab tout mwen menm, kominate mwen an pa te janm jije m epi ansanm ak fanmi mwen yo ki te enpòtan anpil nan ede mwen fè pakou lavi m. Mwen te jwenn tout sa mwen te bezwen isit la: premye travay mwen, premye bisiklèt mwen, premye opòtinite lidèchip mwen.

Mattapan genyen yon richès opòtinite poujenè li a. Konsèy mwen pou adolesan yo se pwofite de avantaj konsènan sa ki ozalantou yo. Kominote mwen nou an ak lidè li yo la pou ede nou. Tèlman genyen anpil bagay pou aprann. Jis soti devann pòt ou, fè 5 gran pa nan nenpòt direksyon. Kounyeya di m.... kisa ou wè?

I bet there is plenty that you never noticed. Imagine what else you might find if you step a little further!

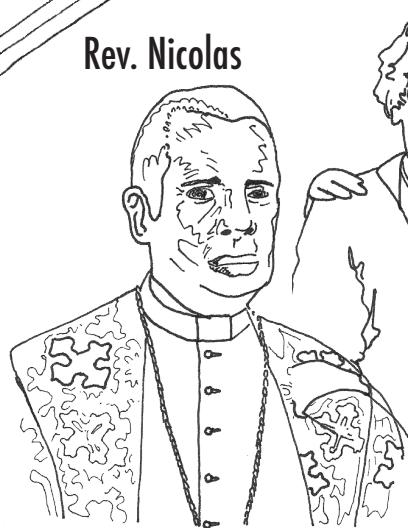

Mwen parye ke genyen anpil bagay nou pa t ap janm remake.
Imajine ki lòt bagay ou ka jwenn si ou ale yon ti jan pi lwen!

MY EDGEWATER FOOD FOREST / FORÈ ALIMANTÈ EDGEWATER

Share all you'd like to find in the food forest! / Pataje tout bagay ou ta renmen jwenn nan youn forè alimantè a!

The Edgewater Neighborhood Association (ENA) decided that it wanted to create a natural green space on a city-owned vacant lot. ENA envisioned converting the space into a food forest – a space with walking paths, seats, a pagoda, nut and fruit trees, berry plants, and perennial vegetables and herbs all available to everyone in the community. ENA reached out to the Boston Food Forest Coalition to help with the design of this project and to serve as the land trust. The City of Boston kindly agreed to pass over the lot and the work to create the food forest is slated to begin Spring 2021. Please contact the neighborhood association at edgewaterneighborhoodassn@gmail.com if you are interested in helping with this project.

Asosiyasyon Katye Edgewater a (ENA) te deside ke yo vle kreye yon espas vèt natirèl sou yon teren lib ki fè pati vil la . ENA te genyen vizyon pou konvèti espas la an yon forè alimantè - yon espas ki genyen chimen pou mache, syèj, yon pagòd, pye nwa ak pyebwa ki genyen fwi, plant bè (berry plants), ak kegim vejetal pèmanan ak zèb k ap disponib pou tout moun nan kominote a. ENA te kontake Kowalisyon Forè Alimantè Boston nan (Boston Food Forest Coalition) pou li kapab ede avèk elaborasyon pwojè a ak pou sèvi antanke fidisyi fonsyè (land trust). Responsab Vil Boston nan te jantiman aksepte pou bay teren an epi travay pou kreye forè alimantè a ta dwe kòmanse nan Prentan 2021. Tanpri kontakte asosiyasyon katye a nan edgewaterneighborhoodassn@gmail.com si ou entereze nan ede avèk pwojè sa a.
